Node.js

User Interface Design

Responsive Web Design

Rishipal Singh

Full Stack Developer | React, Node.js, MongoDB | Building High-Performance Web Applications

Hoshiarpur, Punjab, India

Summary

As a Full Stack Developer, I specialize in building robust and high-performance web applications using the MERN stack. My passion lies in crafting seamless user experiences with clean, efficient code and architecting scalable backend systems that solve real-world problems.

With a strong foundation in JavaScript, I leverage React.js to build dynamic and responsive user interfaces, while using Node.js and Express.js to create powerful RESTful APIs. I am proficient in designing and managing NoSQL databases with MongoDB, ensuring data integrity and optimal performance from end to end.

I am driven by a desire to learn and continuously improve. I thrive in collaborative environments and am committed to applying my skills in software engineering and problem-solving to contribute to impactful projects.

My Technical Toolbox:

Frontend: React.js, JavaScript, HTML5, CSS3, Tailwind CSS

Backend: Node.js, Express.js, RESTful APIs

Databases: MongoDB (with Mongoose)

Languages: JavaScript (ES6+)

Tools & DevOps: Git, Postman, Vercel

I am actively seeking new opportunities where I can apply my skills and grow as a developer. Feel free to connect or reach out to me to discuss technology, projects, or potential collaborations.

Experience

MVT Careers

Industrial Training

June 2023 - July 2023 (2 months)

Learned and applied modern web development concepts in real-world scenarios. Built and optimized responsive and interactive web pages with a focus on user-friendly design. Learned UX design principles and applied them to create user-friendly interfaces.

Education

Punjab Technical University

Bachelor of Technology - BTech, Computer Science · (September 2022 - June 2026)

CT Institute of Engineering, Management and Technology, Shahpur

Bachelor of Technology - BTech, Computer Science · (August 2022 - August 2026)

CT Group of Institutions

Bachelor of Technology
